HIKING

with A&K Europe

There's nothing like the scent of fresh air to stimulate that feeling of adventure and exploring the great outdoors! Hiking gives us the chance to witness incredible views and the variety of nature, with towering mountains, dramatic coastlines and blissful valleys...

In this guide, we'd like to introduce you to some of our favourite European hiking expeditions - but this is only a glimpse of what we have to offer!

We can recommend excursions and multi-day programmes for guests of different ages, abilities and experience levels, so, if these are the memorable experiences your client is seeking, get in touch with our dedicated travel experts for more details.

Remember that A&K Europe can tailor everything according to your client's desires - let them pick and choose the ideas they like and we'll drop it into their fully bespoke itinerary.

with A&K Europe

How to use this guide

This guide showcases 8 hiking excursions in different locations across Europe. These can be added to your bespoke itinerary or you can follow the links for a multi-day, specialist itinerary that we recommend.

Each excursion includes a walking time 🕒 and distance ↔ for a hiker of mid-level ability and experience. Times should always be considered approximate. Variations may be experienced due to many factors, some of which are outside of the guest's control, such as inclement weather.

The approximate elevation ▲ for each excursion is also shown. This refers to the total increase in altitude across all the ascents on the excursion.

What's included?

All A&K hiking excursions include:

- An expert local hiking guide to accompany the guest
- Transfers to and from the starting point where appropriate
- Emergency phone contact

What should a guest bring?

We recommend that guests on A&K hiking excursions come equipped with:

- Clothing (including sun hat!) and footwear that is suitable for local conditions
- A water bottle and lots of energising snacks
- A walking stick
- A sense of adventure!
