

A young child with curly hair, wearing a blue and white striped long-sleeved shirt, blue jeans, and a tan riding helmet, is smiling and looking upwards while riding a brown horse. The horse is facing right. In the background, another child in a green jacket and dark helmet is riding a dark horse. The scene is set in a grassy field with a clear blue sky and distant mountains.

## Cape Explorations

The best way to experience a city? Live like the locals. Minutes from Cape Town's beaches, cafes, boutiques and galleries, you will find no better place to base yourself and your family. From your holiday home, it is for you to decide how much or little to do. Enjoy family hikes, learn to surf like a pro, try out some horse riding, scootours or kiddie grape tasting tours.
