EAST AND SOUTHERN AFRICA

A photograph of a luxury lodge in East and Southern Africa. The scene features a long wooden deck with several lounge chairs, each with a white cushion and a rolled-up blue towel. To the right of the deck is a long, narrow swimming pool that reflects the sky and the surrounding landscape. In the background, there are traditional thatched-roof huts and a vast, open landscape with rolling hills under a clear sky. A large white ampersand logo is overlaid on the bottom left corner of the image.

As we all know Africa is unique and special and constantly amazes all who walk upon her diverse shores. It is our pleasure to highlight some of our favourite new properties across the region. These properties truly encapsulate our amazing region with their stunning design and creativity.
