### 2 Livingstone/ Victoria Falls

The day is at leisure to enjoy the lodge activities.

Enjoy a boat cruise at sunset or sunrise, a superb way to relax and immerse oneself in the beauty of the Zambezi, whilst keeping an eye out for wildlife on the river banks. See one of the Seven Natural Wonders of the World with a trip to Victoria Falls on the Zambian or Zimbabwean side. Explore the Mosi oa Tunya National Park, the only wildlife park in the area that provides refuge to white rhinos - which are closely protected by anti-poaching units. While on your game drive, keep an eye out for giraffe, buffalo, waterbuck, impala, wildebeest, zebra and diverse bird life.

The Zambezi River, around Victoria Falls, is an excellent spot for both pole and fly fishing. There are over 75 species of freshwater fish in these warm, nutrient-rich waters, although it is usually one specific species that draws fishermen here – the tiger fish. Revered for their power and fierce set of teeth, landing a tiger fish is no easy task, even for a seasoned angler. Even an unsuccessful fishing outing on the Zambezi is still enjoyable thanks to the beautiful scenery and tranquillity.

**Meal Plan:** B,L,D

### 4 Linyanti/ Selinda Reserve

Spend your time exploring the raw African wilderness in the Linyanti. Enjoy thrilling game drives, learn about the fascinating fauna and flora on walking safaris, or float serenely along the waterways in a mokoro (canoe). Activities in the Savute are centred around game drives throughout the Savute area in open 4x4 safari vehicles. Many trips will incorporate a visit to the famous Savute Marsh for your chance to see the historic presence of the Savute Channel at the marsh against a teeming backdrop of wildlife.

Savute lays claim to a spectacularly large summer zebra migration, which is determined by the rains but usually occurs between November and December and again between February and April when the zebras move from the rivers in the north in search of the lush grasslands and full waterholes in the southeast of the park. They are always accompanied by a myriad of predators.

**Overnight:** Silver: Linyanti Ebony - Family Suite | Gold: Zarafa - Dhow Suite

## 5 Okavango Delta/ Moremi Game Reserve

After breakfast, transfer to the airstrip for your shared light aircraft flight to the Khwai/ Moremi airstrip. On arrival, you will be met and transferred to the camp and overnight. The flying time is approximately 30 minutes.

Moremi is undoubtedly one of the world's most pristine wilderness areas, a place of lily-covered wetlands, grass plains and forests, where even at the busiest time of year you're likely to be the only spectator at the most dramatic animal sighting. The Okavango Delta is the largest inland delta in the world, and instead of flowing into the sea, the annual flood of fresh water flows inland, spreading over 15,000 kilometres of the Kalahari sand in a maze of lagoons and channels.

**Overnight:** Silver: Khwai Leadwood - Family Suite | Gold: Sanctuary Chief's Camp - Geoffrey Kent Suite  
**Meal Plan:** B,L,D

## 6 Okavango Delta/ Moremi Game Reserve

The game viewing opportunities in these areas are awe-inspiring. On the plains one may find the roaming lions that prey on the thousands of antelope, zebra and buffalo who live here all year round. There are also healthy populations of wild dog.

Mokoros, local dugout canoes, offer a different perspective of the bush in the company of a highly trained local guide. Each June the whole area floods and turns the Okavango Delta into a labyrinth of lily-filled lagoons and streams where hippos fight for bathing rights and crocodiles wait for unwary antelope to linger too long over a drink. Poling through the byways created by the floodwaters is a magical experience that allows guests to get very close to the biggest of game and to see the world from a totally different angle. For the more adventurous, take a guided bush walk to gain a detailed understanding of this diverse environment, which features gems such as red lechwe bounding through marshy areas, a kaleidoscope of birdlife, plus predators and big game.

**Overnight:** Silver: Khwai Leadwood - Family Suite | Gold: Sanctuary Chief's Camp - Geoffrey Kent Suite
