Day Experiences

Turtle Safari

White Pearl Resorts

White Pearl Resorts is home to one of the richest turtle nesting sites in southern Mozambique. The nesting season is between November and February each year, and guests have the opportunity to witness an extraordinary feat of nature first-hand. Loggerhead and Leatherback Turtles head to this stretch of coast to lay eggs, a few weeks later, the hatchlings make their first-ever voyage to the ocean. Watching a turtle hatch an egg is a beautiful experience.

Ocean Safari

White Pearl Resorts

Venture by boat to the nearby pinnacle reef for a snorkelling trip, and you get a chance to swim with the bottlenose Dolphins that regularly glide through these waters. From July to November each year, you may encounter the majestic humpback whales in their natural habitat as they visit on their annual migration. Whale watching is from the comfort of the snorkelling boat. Observe these magnificent creatures blowing, breaching, lob tailing and playing.

Sunset Dhow Cruise

Benguerra Island

Set off on a sunset cruise around the bay in a dhow, a traditional wooden sailing vessel with a triangular sail. This is used by the island's locals and gives you a unique window on the everyday world of the island's fishermen. Breathe in the fresh breeze of the ocean, and toast the end of an exciting day as you watch the setting sun on the horizon.

Horse Riding Safaris

Benguerra Island

Horseback riding is the perfect way to take in the breath-taking beauty of Benguerra Island. Enjoy a different perspective of this piece of paradise, at a pace that is comfortable for you. This activity is suitable for both novices and experienced riders.

Cast Away Picnic

Benguerra Island

Disappear for an afternoon and spend the day indulging on a mouth-watering “Cast-Away” picnic. Explore the highest dune in the Bazaruto Archipelago or simply put your feet up and enjoy the breath-taking, 360 degree views of the island. There are awe-inspiring photographic opportunities, and keep a look out for frolicking dolphins at play.

Fishing

Santorini

The Bazaruto Archipelago is a fisherman's paradise, offering year-round opportunities to land an impressive catch. All fishing tackle is taken care of by knowledgeable skippers, who know these waters intimately and can guide you in fishing for different species, from Job Fish, Bonito and Mackerel to impressive Tuna, GTs, Dorado and Wahoo depending on the season.

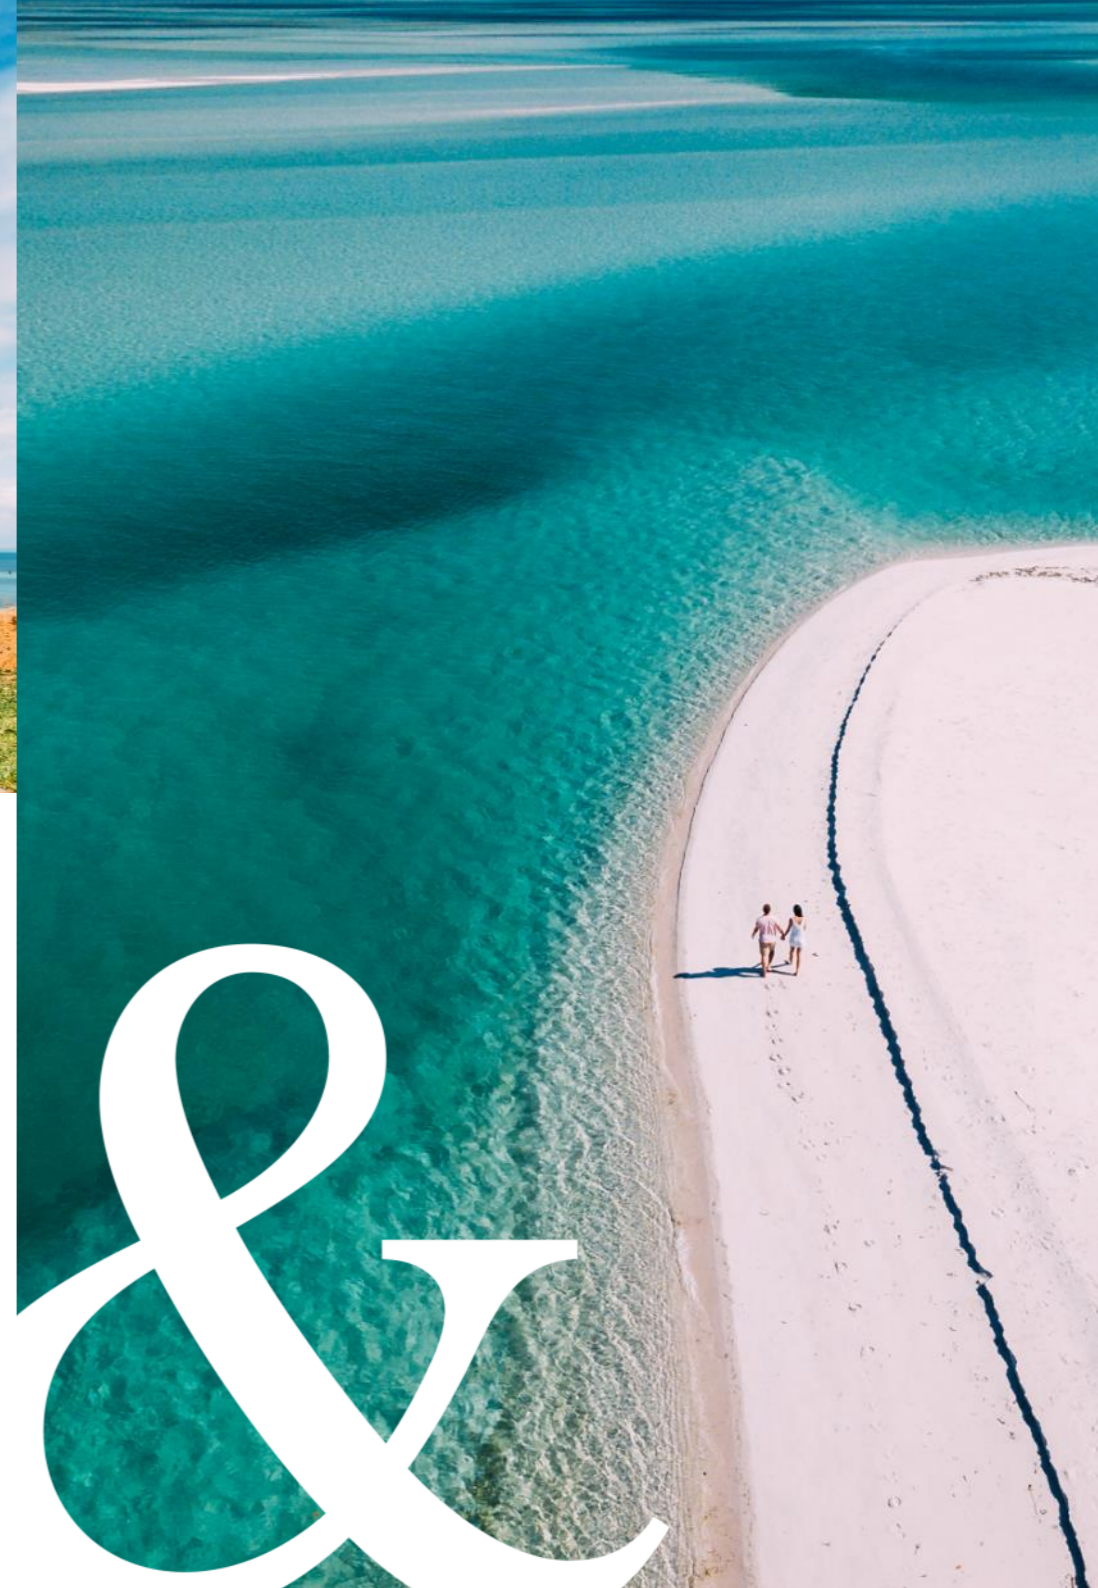

Helicopter Sightseeing

Benguerra Island & Santorini

Experience Mozambique from above. Hop aboard a helicopter and fly along the coastline of Benguerra Island and marvel at the crystal clear water and pristine white beaches with a bird's eye view. Guests can experience the Bazaruto Archipelago with its scenic wonders. Enjoy the elegance of flamingos, the amazing sea life, beautiful sunsets, golden dunes, historic lighthouses and pristine islands, and nature's art work in the form of ripples in sand and water.

Ocean Exploration

Santorini

The waters here are an ecological paradise. This is one of the largest marine conservation areas in the Indian Ocean. Discover reefs teeming with life, including dolphin, humpback whales, whale sharks, sharks, manta and spotted eagle rays, game fish, green turtles and giant lobsters. The endangered dugong of which only a very small number still exist, swim in the shallow crystal clear waters that are also home to starfish, soft and hard corals, anemones, seahorses and an array of beautiful tropical fish.
