* Extra charges apply for changes/extra services made in-destination ** Where available

A&K BASIC SERVICE NOT INCLUDING GUARDIAN ANGEL

During your trip you will have a 24 hour contact number for travel-related emergencies. You will not be met or contacted by a Guardian Angel, nor will you have the flexibility to change your confirmed trip on the ground. This service level is suited to independent travellers seeking our best value method of travel. For the true benefit of an A&K journey we strongly recommend selecting the A&K Gold GA Service.

A&K GOLD SERVICE INCLUDING GUARDIAN ANGEL

On arrival in your destination, your local Guardian Angel welcomes you and provides their contact details, should you need assistance or advice during your stay. This service ensures you enjoy your vacation with local insight into dining, experiences and tour recommendations. Subject to availability they are also able to make adjustments to your journey.*

A&K PLATINUM SERVICE INCLUDING GUARDIAN ANGEL AS YOUR PERSONAL CONCIERGE

Arrive like a true VIP when you are met at the aircraft door** with an experienced Guardian Angel at your entire disposal to accommodate your needs from the moment you land to the moment you depart. It's your vacation and your personal concierge is a knowledgeable local person on-hand to adjust and enhance your experience.
