

CONCIERGE RAIL SERVICE

Abercrombie & Kent

EUROPE

Rail travel in Europe is fast, comfortable and inexpensive, but train stations are confusing and handling luggage is strenuous. A&K Europe's innovative Concierge Rail Service provides the perfect solution with the reassurance and practicality of escorted transfers, seat reservation and portage.

HOW DOES CONCIERGE RAIL WORK?

Our unique network of local Guardian Angels allows A&K Europe to provide unparalleled support, available to your clients 24/7. After a personal meeting at their hotel, your clients' Guardian Angel will escort them during their own private transfer to the train station. Upon arrival, a porter will be on-hand to assist with any luggage and ensure it is safely loaded on the train. Your clients will meanwhile be accompanied by their Guardian Angel to the train, helped on board the first-class carriage and made comfortable in their seats before the train departs. All they have left to do is sit back and enjoy the beautiful scenery en route to their next wonderful European destination.

As the journey ends, a new Guardian Angel will know exactly where your clients are seated on the train and will be waiting at the carriage door to greet them as they disembark. While they are being escorted straight to their private vehicle, a porter will retrieve the luggage and ensure it is safely transferred to the same vehicle. Your clients will be whisked away to their next hotel with comfort and ease ready to continue their tour.
